

GREAT WEST WAY 6-day Guided Walking Tour Itinerary

Windsor, Stonehenge, Downton Abbey, Avebury, Bath, Bristol

Duration 6 days / 5 nights

Start London (London Paddington)

Finish Bristol

Our 6-day, 5-night tour will immerse you in England's iconic history and heritage, championing England in all its glory. With stunning views around every corner, excellent accommodation, wonderful pubs and beautiful cuisine, Active England will give you an experience you won't forget. The walking trails are varied but almost exclusively flat, making them accessible for all.

From the honey coloured Cotswold villages and busy little market towns you will be transported back into England as it was before mechanisation, where sheep and dry-stone walling were the biggest industries. The Cotswolds is perfect walking country; a criss-cross of footpaths, national trails, canal tow paths and riverside walks, all you need to do is relax and enjoy the stunning vistas of chocolate box England. As well as walking through beautiful countryside, we will visit the magnificent Windsor Castle, home to the Queen, walking through the deer park and hunting ground of Windsor Great Park, and visiting two World Heritage Sites: Bath's famous Roman Spa and the Neolithic Avebury and Stonehenge.

Itinerary

Day 1. Windsor Great Park and Windsor Castle.

We collect you at 8.30 from London at Paddington Station, platform 1, under the clock and take you by bus Windsor, which is about 1 hours' drive. We visit Windsor Great Park, the old royal hunting ground and world home of Polo, where there is a match on most Sundays we visit. We walk through Windsor Great Park, down the Long Walk and right into the heart of Windsor, before all guests take a full tour of Windsor Castle and a good look around the town. Taking the bus to your hotel on the Kennet and Avon Canal means a nice, gentle start to your holiday.

Day 2. The Kennet and Avon Canal and Downton Abbey (Highclere Castle)

We walk along the picturesque and tranquil Kennet and Avon canal in the morning. The walk is flat and in the afternoon we visit Highclere Castle. For all Downton Abbey fans this is a must visit where you will be able to see, first hand, both the above and below stairs lives of the cast and the owners, Lord and Lady Carnarvon. For those who are not Downton devotees, there is ample additional walking available in the afternoon. We return to the same hotel in the evening (so we don't have to move hotels) for dinner.

Day 3. Avebury + Stonehenge

After an earlier start we walk along the wonderful canal route towards the beautifully named Honeystreet and on the quiet roads in the surrounding areas. We have coffee alongside the canal at Crofton and lunch in the cafe at Honeystreet before visiting Avebury (think Stonehenge but much bigger), setting off by support vehicle to the World Heritage Site and monument at Stonehenge. You will have ample time to walk to and around the stones which have been an enduring mystery for millennia. We stay the night in Devizes, which gives us great access to the Kennet and Avon Canal.
